

Once there was a bachelor who thought he'd take a wife, then settle down, because he liked a simple life. So he began a courtship with a meek and modest maid, and, later on, when he proposed, these are the words she said: "I—er—like you, George, but really, I'm—er—afraid of fasting, if we to the Parson's go." But finally he persuaded her—said 'twould be jolly fun; so they sought a Minister, who quickly made them one. That was ten long years ago; now he stays home of nights, while she at various lady clubs expounds on woman's rights. He careth for the children as a shepherd for his sheep—even to the baby, who must be rocked to sleep. Then he picks up a paper and a sad,

sarcastic smile, coxeth o'er h's careworn face and lingers for awhile, as he reads about the lecture his timid (?) wife has hurried on, "The Hand That Rocks the Cradle Is the Hand That Rules the World."

Last night just as the hands of the goldclock in the President's room reached 6 minutes past five, the Payne Tariff Bill, as the measure will be known, was laid before the President. He picked up a pen supplied by Chairman Payne of the House Ways and Means Committee and which had been used by both the Vice-President and the Speaker in signing the bill, and attached his signature. After writing his name the President added: "Signed five minutes after five, August 5th, 1909, W. H. T."

A SIMPLE QUESTION.

Maysville People Are Requested to Honestly Answer This.

Is not the word of a representative citizen of Maysville more convincing than the doubtful utterances of people living everywhere else in the Union? Read this:

Mrs. Della Means, 328 East Front street, Maysville, Ky., says:

"About seven years ago kidney trouble made its appearance in my case, the first symptom being a sharp pain through my kidneys, accompanied by a bearing-down feeling across my hips and loins. Dull, miserable headaches soon began to bother me, and I often became so dizzy that if I did not catch hold of something I would have fallen. I continued to grow worse, until I was often confined to my bed for a week at a time. No remedy I used helped me, and I was in a bad way. Dropsical swellings appeared, and there was an almost complete retention of the kidney secretions. My body also bloated, and it would be impossible to describe the misery I endured. When I read of a person who had been freed of a similar trouble by Doan's Kidney Pills. Deciding to try them, I procured a supply at J. J. Wood & Son's Drugstore, and I obtained so much relief from the first box that I continued taking the remedy until entirely cured. I have no hesitation in saying that Doan's Kidney Pills saved my life."

Cures Baby's Summer Ills—FREE

The mother should watch her baby very carefully these hot days. If it refuses to play and to eat, if it is peevish and crying, look to the action of its bowels, for there lies the basis of health. Be careful of its diet. The food and water are germ laden. The fruit is too often over-ripe or unripe. If it has any indication of sickness, either in the form of constipation or diarrhea, give it a reliable tonic laxative like **DR. CALDWELL'S SYRUP PEPSIN**. This remedy is a standard in thousands of American homes for just such purposes. It is a favorite with children because its taste is pleasant, and it never gripes. It is the one remedy best suited to the cure of constipation, indigestion, liver trouble, biliousness, sick headache, summer complaint, etc. It is equally as good for grown people, and we know thousands who no longer use strong salts, purgative waters, tablets, pills and such things, but take the surer, more gentle and pleasanter **DR. CALDWELL'S SYRUP PEPSIN**. It can be obtained at any druggist at 50 cents or \$1 a large bottle. The entire family can use it, and as these ailments arise suddenly the head of the house should see to it that a bottle of **DR. CALDWELL'S SYRUP PEPSIN** is always at hand.

Those who have never yet used **DR. CALDWELL'S SYRUP PEPSIN** and would like to make a test of it before buying in the regular way of their druggist, can obtain a **FREE SAMPLE BOTTLE** either for themselves or any member of their family by sending name and address to the doctor. The sample will be sent to your home free of charge. In this way you can find out what it will do without cost. Also, if the case presents difficulties that doctors and other remedies seem unable to overcome, write a letter to Dr. Caldwell, explaining how the person suffers and he will give you his best MEDICAL ADVICE, based on half a century of experience in stomach, liver and bowel diseases, without charge. Women who have children should send for "SUMMER SUGGESTIONS TO MOTHERS," containing the doctor's advice on diet, hygiene, etc., in hot weather—a very important subject. The address is: **Dr. W. B. Caldwell, 507 Caldwell Bldg., Monticello, Ill.**

Dr. Nott's Letter Arouses a Storm of Protest. Sticks Stoutly to a Statement. Offers to Put Up Money to Back His Opinion.

In a recent issue of this paper Dr. Nott, whose fame is a matter of National recognition, stated that there was no cure for baldness. An opinion which is evidently not shared by all, otherwise the existence of numerous concerns that advertise to cure baldness, to put hair on a billiard ball, etc., would be imperiled. What Dr. Nott did state, as reference to the issue containing his statements will corroborate, was that he had never seen in all of the thousands of cases which have passed under his notice, one instance where the disease of baldness had been cured. But he did state as well that he cheerfully admitted that there were remedies that would restore gray hair to the color of youth, and that there were Hair Tonics which would encourage the growth of hair, cure dandruff and the ordinary diseases of the scalp, he referred particularly to Q-Ban Hair Restorer and Q-Ban Hair Tonic. Dr. Nott states that he will give to any charitable institution named \$1,000 on receipt of any authentic proof showing that hair has ever been put on a bald head where the roots were dead. Since his last statement the druggists have in general laid in a supply of Q-Ban Hair Restorer and Tonic. Anyone who wants to win the \$1,000 that the doctor offers may send a letter to Q. B. Dept., Memphis, Tenn. He states, and any druggist will endorse the statement, to the effect if six bottles of Q-Ban Hair Restorer fails in a single instance to change gray hair to a natural color, that if the patient has used six bottles and the result is not as claimed, a letter written to Dr. Nott will bring back the money expended, and that if a six-bottle lot of the tonic don't increase the growth and strength of the hair, cleanse and put the scalp in good condition, money will also be returned. You know your druggist—ask him.

J. Jas. Wood & Son recommend and sell these preparations. If you are gray haired or your hair commencing to fade you can have the first bottle of Q-Ban Hair Restorer free. Simply call and ask for it.

For sale at all druggists.

WANTS HER LETTER PUBLISHED

For Benefit of Women who Suffer from Female Ills

Minneapolis, Minn.—"I was a great sufferer from female troubles which caused a weakness and broken down condition of the system. I read so much of what Lydia E. Pinkham's Vegetable Compound had done for other suffering women I felt sure it would help me, and I must say it did help me wonderfully. My pains all left me. I grew stronger, and within three months I was a perfectly well woman."

"I want this letter made public to show the benefit women may derive from Lydia E. Pinkham's Vegetable Compound."—Mrs. JOHN G. MOLDEN, 2115 Second St., North, Minneapolis, Minn.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.

Meers. Thomas Heffernan and Terry Mackey attended a dance at Ripley last evening.

Mrs. James Rogers, Jr., of St. Louis, Miss Ellen Kirk, Mrs. Reese Kirk, Messrs. Will Rees and Ross Kirk, and others composed a launch party that took in the Ripley Fair yesterday. Mrs. Rogers was the guest of honor of the party.

Cincinnati Commercial Tribune.—Mrs. George Bruce of Houston, Tex., who, as the guest of Mrs. Theodore Dohrmann of Clifton, has been the inspiration for so many charming social functions the past two weeks, has gone to Covington to visit Mrs. W. G. Morris.

Tonight at the Pastime your last chance to see "Washington Under the American Flag."

One of the small bridges near Murphysville was washed away by the hard rain yesterday.

The will of the late Don Carlos, the pretender to the throne of Spain, leaves to the Pope works of art and money to the total of \$2,000,000.

The precipitation of rain here yesterday was considerable, being accompanied by a high wind and hail. The flag over the Bank of Maysville was blown from the flagstaff and lodged on the White Building on the opposite side of the street. Rain was badly needed and did the growing corn and tobacco crops immeasurable good.

Cincinnati Commercial Tribune.

Honoring Mrs. George Bruce, who has been visiting here, Mrs. Stowe C. Reno entertained delightfully Monday afternoon in her flower-decked home in Lafayette circle, Clifton. There were three tables of bridge, and the prizes were awarded to Mrs. Howard Gayle, Mrs. Province Pogue, Mrs. Harley Morrison and Mrs. Bruce.

Mrs. Theodore Dohrmann gave on Wednesday a luncheon at the Country Club, near Covington, for her guest, Mrs. George Bruce of Houston, Texas.

BR'ER FOX'S MOTOR
Speed Machinery of the Noted Racing Boat Has Been Sold

The motor that was the moving spirit of the Br'er Fox II. in its record-breaking feats on the Ohio and Mississippi rivers will be the controlling power of a boat that will race for the international championship out East.

First, however, the Br'er Fox will enter the struggle for the Mississippi championship in the regatta to be held at Peoria, Ill., August 21st, where a purse of \$500 in cash is the prize offered.

Then the motor will be taken and shipped East to F. Y. Beach, Editor of The Scientific American, who is ambitious to win the international championship. The Br'er Fox hull, motorless, will be returned to Cincinnati, for the motor is to be installed in an entirely new boat, built especially for the international races. This is a construction known as the "gliding hull," so built that it barely draws two inches of water, and slides along the surface with the least possible resistance.

Editor Beach has figured out that a 65-horsepower motor like that of the Br'er Fox will serve the speed purpose in such a hull higher power. He sent his representative to make the recent trip down the Ohio from Pittsburgh in the Br'er Fox and the latter's report was so favorable that Beach made an offer to the Dean brothers for the motor, which was accepted, and he will get the engine after the Peoria races.

The Lincoln pennies are not so popular as the Treasury officials had hoped for. Artists have always declared that a penny superior in design to the Indian penny could not be turned out, and it is claimed that the Lincoln penny is a practical demonstration of that statement. The new pennies do not stack up as well as the Indian coins. The most serious objection to them, however, is that they are thicker than the old coins. Institutions which use coin machines have already begun complaining that the new pennies do not fit the machines.

Sunlight After Dark

truly describes the brilliancy of this new Tungsten lamp for electric light. With the same amount of electric current its wire filament radiates from two to three times as much light as the ordinary carbon incandescent.

Use Tungsten Lamps in Your Home

They will cut your light bill in two, or, double your illumination without extra cost. Try a G.E. 40-watt lamp at first. It consumes one-fifth less electric current and is twice as brilliant as the 16 candle power carbon lamp you now use.

GIVE YOUR EYES A HOLIDAY

Your eyes have been working at least sixteen hours a day and seven days each week, with no time off for lunch. Do you expect them to continue to do this year after year without assistance? If you can't go to the mountains or sea coast, you can, at least, give your eyes a rest by wearing the proper lenses to correct the errors of refraction. Headache, nervousness, indigestion, etc., when caused by eye strain, will be relieved at once by suitable lenses.

There is no one within fifty miles of Maysville who is as thoroughly competent to correct errors of refraction as

J. A. SIMPSON,
Who has his suite of offices in the First National Bank Building.
